*Project Trainee*

The S. N. Bose National Centre for Basic Sciences invites applications from highly motivated students, willing to take up challenges in modern scientific research, for the post of Project Trainee under the project entitled "Study of Dynamics of twin structures in different ferromagnetic shape memory alloys", with Dr. P.K.Mukhopadhyay, for a period of 24 months at a consolidated scholarship of Rs. 10,000/- only per month. A masters degree in Physics (preferably Condensed Matter Physics) is preferable. The students who had completed the final exam but waiting for the result are eligible to apply.

Applications in plain paper along with CV may be mailed to The Registrar, S.N. Bose National Centre for Basic Sciences or soft copy of the application may be mailed to Dr. P.K.Mukhopadhyay at [pkm@bose.res.in](mailto:pkm@bose.res.in) or to The Registrar at [registrar@bose.res.in](mailto:registrar@bose.res.in). Last date for application is 8th February, 2010.
